* Indian: Tikka or Madras, not both; bold runs tikka 9 g. Hold tikka above cumin/mustard so it reads *tikka*, not cumin.
 **Solo-only:** smoked paprika (Lara dislikes smoke — sweet paprika fine) & red miso (Jannes dislikes funk — white miso is family default).
Umami rule: every tomato-base profile *bhunas* the tomato paste — except **mole**, whose umami is aminos + nooch + shiitake (glutamate × guanylate). Soaked chillies: blend the soak water in (half the flavour). Stir shiitake in *with the passata* in Thai (it scorches dry).
Kid-safe Mexican: 300 g passata + 50 g grated carrot, all chilli at the table. **Bhuna fix when flat:** deglaze the stuck fond with water splashes, repeat 2–3× — the fond is concentrated flavour, not a burn.
Key: amounts per single serving, g unless noted · *tbl* table · *pc* whole dried chilli · — not used ·  family-palate caveat.
